Regression therapy is much more than just a Past Life Journey – Current Life Regression, Past Lives, Spirit Release and more ...come along and find out.

An Insight into Life Between Lives Spiritual Regression

Sunday 12th February 2012 10am-5.30pm CostEuros includes (includes tea and biscuits – no lunch)

Venue:

A one-day professional seminar on Life between Lives Spiritual Regression run by Doug Buckingham. It includes an informative talk, discussion and Q & A session on Life between Lives and the opportunity for attendees to experience entering into their own LBL memory by way of a group regression. The LBL “space” is where we do the reviewing and planning in between our lives for our previous incarnations and for our future incarnation i.e. the life you are living now. What choices did you make?

Both of these workshops are be of benefit to anyone who is interested to discover more about regression or LBL spiritual Regression for their own personal journey. They are also very useful introductions for anyone considering training in these therapies. The Regression Academy training programme is Internationally recognised and is currently running in several countries in different continents.
